Full job description

Your new company

This highly reputable publicly traded firm is centred around providing solutions and implementing efficient processes to their clients to satisfy their business and personal goals all whilst making a positive difference in people's lives.

They are the market leaders within credit rating and have successfully supported small to large corporations with accurate insight, intel and benchmarking.

Your new role

Your role within the Corporate Ratings Team includes the below duties but is not limited to:

- Supporting the wider Corporate Ratings Team with effective research and analysis, specifically on ASX listed companies
- Generating accurate financial models for industry data sets and companies
- Engage and liaise with relevant stakeholders regarding best practices and strategies
- Provide recommendations based on data input and statistical analysis of results
- Create presentations for supporting analysis as required

What you'll need to succeed

- Relevant degree in Commerce, Finance or Accounting
- Desirable to be CPA and CFA qualified
- 3-6 years of research or analytical experience within a similar financial institution
- Highly proficient with Excel

What you'll get in return

- Ongoing training and support
- Excellent internal career opportunities and team culture
- Attractive salary + 11% super
