### Full job description

- **Clinical Midwife Specialist**
- **Empower people to grow and impart your knowledge**
- **Sign on and retention bonus available for the successful candidates**
- **Full-time positions available**

As a Clinical Midwifery Specialist (CMS) you will demonstrate leadership and role modelling in the care of antenatal, intrapartum and postnatal women seeking care within the Private Healthcare setting.

The CMS is also responsible for the delivery of quality women centered care, developing standards of practice, implementing changes to clinical practice and initiating research and quality improvement activities. You will work as part of the health care team participating in working parties or committees as required and demonstrate a commitment to continuous quality improvement.

Our Women's Health Unit is a 43 bed post/antenatal/gynaecology ward with 7 birthing suite rooms. Supporting this service is a 7 bed level 2 Special Care Nursery. An opportunity has arisen for a highly motivated and enthusiastic Clinical Midwifery Specialist to join our team on a full-time/part time basis. We are looking for an expert Birth Unit midwife, who is committed to excellence, has extensive skills in antenatal and intrapartum care as well as a passion for delivery of woman centred care.

### About us

We believe in the delivery of quality clinical outcomes for our patients. We have over 19000 staff who are passionate and dedicated to providing quality healthcare. We provide exceptional patient care and support for our doctors.

Our people are known for achieving exceptional clinical outcomes, transparent public reporting and positive patient feedback that leads the industry. No matter the role, every day our people make a difference to the lives of our patients and their families and it is a privilege to be part of their care.
