Full job description

Your new company

Our client is a well-established company in the Victorian real estate property management sector with a lengthy history. They perform inspections, services, maintenance, and repair work for Gas Appliance Safety Service and Carbon Monoxide Test compliance, ensuring that houses/rentals are safe to occupy.

Your new role

There are several unique possibilities for well-presented and ambitious plumbers with a gas A servicing ticket to join a rapidly expanding company. All work is done in line with Australian Standards and is taught throughout training.

- Inspect, test and service all gas installation within the premise.
- Visual inspecting to verify correct installation and no signs of misuse and/or damage
- Test gas leakage, negative pressure and carbon monoxide
- Service gas/heating appliances to ensure they are working at optimal capacity

What you'll need to succeed

- Full Australian work rights
- Current VBA plumbing registration
- Requires Gas Servicing Type A registration – can be gained through in house training, fully paid for
- Valid Victorian driver's license
- Excellent communication and interpersonal skills

What you'll get in return

- Job Security - Consistent guaranteed work and employment during COVID-19 with Gas Servicing all year round!

- Hourly pay during training \$45p/h per hour + Super + Car + Overtime (uncapped)
- Hourly pay after training \$50 - \$55p/h per hour + Super + Car + Overtime (uncapped)
- R.D.O's every month
- Flexible work options available
- Regular In-house and manufacturer training + ongoing tech support
