### Full job description

#### Your new company

Your new company based in Melbourne's south east is one of the industry leaders in manufacturing construction and building equipment which include, lifting & material handling plants, materials processing machinery, elevated work platforms and utilities industry equipment. Operating in the industry for over 100 years, the company specialises in manufacturing heavy industry equipment such as screeners, crushers, conveyers, and feeders. Your new organisation has an employee centric business model which enables them to provide ongoing upskilling and development for their employees.

#### Your new role

Your new role will see you working as a field service technician on day shift with a 7 AM or 07:30 AM start and you will be reporting to the service manager. You will be responsible for the maintenance, repair and troubleshooting of

crushers, feeders, and screening equipment throughout Victoria. On occasion you will be required to do over-time work. Your new role will require flexibility as you may have to travel regionally or interstate, to work on equipment.

#### **What you'll need to succeed**

- Fitter trade qualification
- Valid full driver's license
- Heavy industry fitting experience ; oil & gas, mining, quarry or related industries
- Dogging & rigging tickets
- Exposure to Cedarapids equipment
- Hydraulics experience
- Ability to travel for short periods
- Ability to work autonomously

#### **What you'll get in return**

- Above competitive hourly rates
- 11.5 % superannuation
- Weekly medical allowance
- Weekly pay
- Vehicle provided
- Uniforms & PPE provided
- Technical training, including licenses & tickets
- Monthly team BBQs

#### **What you need to do now**

Please hit apply now, or for a confidential discussion please call Maaz Mian on 0478 576 524. If this role isn't quiet for you, but you are a trade qualified Maintenance Fitter, please don't hesitate to contact me.
