### Full job description

- ? Prospect based.
- ? Friendly & Knowledgeable.
- ? ASAP start
- ? Great training support, working with a team of experienced design and drafting professionals

Quickdraw is one of the leading Mechanical (Air Conditioning) based drafting companies of NSW. We pride ourselves on our ability to produce detail and design drawings of an exceptionally high standard.

We are seeking a Junior Draftsperson who is eager to learn about designing and detailing mechanical components of large scale commercial projects.

Reporting to the Virtual Design Manager, this is an excellent opportunity for you to develop your skills and experience in the mechanical field.

The successful candidate must have the following attributes

- ? Reliable with a strong work ethic.
- ? Computer literate.
- ? High attention to detail.
- ? Strong communication skills.
- ? Ability to work to deadlines.
- ? Be a team player and willing to take direction.

If you have the attributes to be successful in this role and are looking for a career within a successful business then we would like to hear from you.
