Full job description

Your new company

Our client is a Local Council in Melbourne's North, who is looking for a new member to join the team and assist with the maintenance and repairs of Council fleet.

Your new role

Hays Trades and Labour are seeking to speak to both Diesel Mechanics and Light Vehicle Mechanics who are interested in securing themselves an ongoing role within a council workshop. You will be required to perform maintenance tasks, services, and repairs on Council owned fleet such as: City Sweepers, Garbage Trucks and Utes.

What you'll need to succeed

- Trade Qualified Level 3 Certification in your specific Diesel Automotive Field (Heavy or Light vehicle)
- Experience working around similar machinery is preferred however, not essential
- Tickets in all areas of your specialism will benefit your application
- Ability to work independently
- Strong focus on safety and quality
- Industry supporting references
- Current Drivers licence (HR Licence is favourable)

What you'll get in return

- Attractive weekly salary - 40- 50 Ph dependant on experience
- Consistent Ongoing work
- Great work life balance with a Monday – Friday work week
- Opportunity to work and grow within a reputable and well-established
