Full job description

WHO ARE WE

Backam Group is a specialist in labour hire services across all sectors for major Australian companies. Far from playing the numbers game that has become all too common in Australian recruitment, we specialize in finding and developing quality candidates and providing them with work opportunities that meet with their desired goals. That's why our Company mantra is Numbers count, but people matter.

ABOUT THE ROLE

We are seeking candidates who are keen to learn, be a part of a team and most of all be reliable, driven and hardworking. Our projects are long term and we require people who are seeking consistent work and are invested in their own development.

This position is within our Building and Construction Division. We work with major Australian Companies within the Civil and Building and Constructions Industries. We offer industry leading pay rates, ongoing roles, project-based work with a strong focus on your safety.

ABOUT YOU

The ideal candidates will have extensive experience in a similar role, your previous work history will show several years experience working within the Building and Construction industry. You will be available Monday Friday with some OT work on a Saturday required, you will be reliable, hardworking and have a strong understanding of your safety responsibilities onsite. You will also possess the following skills and licences:

The site machinery will include;

- **Excavators (1tonne to 50tonne)**
- **Bulldozer**
